Press Release

HGC Construction promotes Kuehne to Senior Project Manger, Akers, Smith to Project Manager

February 14, 2008, Cincinnati, Ohio – HGC Construction has promoted Adam Kuehne to Senior Project Manger and Tony Akers and Bill Smith to Project Manager.

Kuehne has ten years of experience in the construction industry and holds a bachelor's degree in construction management and associates degree in construction technology from Northern Kentucky University. He is currently supervising construction of the Kilgour School project

Akers has twelve years of experience in the construction industry. He is currently supervising the Resident Home Corporation and School Outfitters projects.

Smith has nine years of experience in the construction industry and holds a bachelor's degree in civil engineering from the University of Kentucky. He is currently supervising the American Building, Lindner Center of Hope and the 1222-1224 Republic Street projects.

HGC Construction, founded in 1931, is a full-service Cincinnati based general contracting firm specializing in commercial, industrial, and institutional projects. HGC offers pre-construction, general construction, construction management, and design/build services. For additional information, visit HGC's website at www.HGCconstruction.com.
